Sir:

Re S.E. 4 of 22-74-6-W. 6th Mer.
Homestead, dept. from Alison Anderson, .D.,
deceased.

The Department of Militia and Defence has mentioned your name as the next of kin supplied by the late Captain Anderson who in his lifetime held homestead entry for the land above described.

With respect to this quarter-section I would inform you it is the practice of the Department in the case of the death of a homestead entrant to take steps towards the issuing of title in his name and without taking into consideration whether, in any case, a breach of the conditions of settlement duties; or in the name of the properly appointed legal representative would there be filed letters of administration.

Such would be required in this case in order to enable the heirs to the will of the deceased if a will were left and if no will was left, letters of administration would be granted by the proper court of the province in which the land is situated or the deceased.

Yours

[illegible]
[illegible] Street, Ottawa.
[illegible]
Portland.

Letters of Administration taken out elsewhere but re-sealed by the said proper Court will suffice.

Further action in this case will be deferred for a period of 60 days pending the receipt of a reply expressing your wishes in the matter.

I am advise you that Miss Agnes [illegible]. Anderson of 318 Thomas Street, Macaulay Point via Victoria, British Columbia, wrote the Department in the matter of this quarter-section stating the late entrant wished to leave the same to his mother. She was fully advised under date the 23rd ultimo along the foregoing lines but has not since been heard from.

Your obedient servant,

[illegible]

Assistant Secretary.

To
The Secretary
Department of the Interior
Ottawa.

Dear Sir:

S.W.1/4 of 27-74-6-W4th. M.
Capt. John Gibson Anderson, D.C. deed.

Mrs. Mary Anderson has instructed us in regard to your letter to her of the 22nd October, 1916, and we are at once preparing the necessary papers in connection with the issuing of Letters of Administration to her of this Estate.

The Letters of Administration will be issued by the Surrogate Court, Alberta, and we have to instruct our legal agents in Edmonton to apply to the local District Court.

It is obvious that there will be a further delay of a few weeks before Letters of Administration will be issued.

We note in your last paragraph that you state that further action in this case will be deferred for a period of sixty days pending the receipt of a reply from Mrs. Anderson, and we assume that the client will have further reasonable time to enable her to obtain a grant of Letters of Administration.

We shall be glad to hear from you that this is so.

Yours faithfully,

Re: Account of T.H. Cowell
N.E. 1-24-6-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918 seed grain amounting to $133.80 was advanced to T.H. Cowell on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 133.80	$ 226.25	$ 360.05

The N.E. 1-24-6-4 and the S.E. 1-24-6-4 were formerly the homestead and pre-emption entries, respectively, of the debtor on which security he obtained an advance of seed grain in 1918. His entry to the above land was cancelled on the 10th of December 1923 and was since remained unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 8th of February 1926, J.C. Nichol, Secretary, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land covered at present by a long term grazing lease issued by this department. The land in question is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land is [illegible] security of value and is [illegible] it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $1924.24, as follows: stock and equipment $1243.50; permanent improvements $606.74; special advances $74.00. The Board does not report whether or not it holds security on any other land.

The entrant has applied for patent claiming duties as shown on Forms 58½ hereunder. Apparently the duties have been performed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 16th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in the memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land but has a purchaser for the farm and is anxious to complete sale as soon as possible.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

re: Account of Jas. Ed. Pinchon,
S.E. 25-23-10-W.4th.

The matter of an application for a readjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $36.00 was advanced to Jas. Ed. Pinchon on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 36.00	$ 66.60	$ 102.60

The S.E. 25-23-10-W.4th was formerly the homestead of the debtor on which security he obtained an advance of seed grain in 1915.

In reply to our questionnaire of the 11th of July, 1952, J.M. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same being disposed of but is retained for any purpose other than grazing."

The information [illegible] indicates land is [illegible] security of value for any [illegible] advances it is recommended that the indebtedness be cancelled and the land disposed of.

Dear Mr. Cory,

I am enclosing herewith Scrip No. 7348 issued to William Fielders of Pretoria, South Africa, which scrip must be located on or before the 31st of December, together with order appointing substitute signed by Mr. Bremner, as the Attorney for Mr. Fielders. The name of the substitute being one William K. Patterson of this City. The general Power of Attorney from Mr. Fielders to Mr. Bremner covering an authority to sign such an instrument, you will find on file in your Department, it having been sent by me to the Secretary of the Military Council by letter of Oct. 19th, and is either in that Department or will have been sent by them to your Department. You will observe the affidavit made by me annexed to the instrument appointing substitute in explanation of the striking out of the name of Charles Carey in the instrument. I have annexed this affidavit for more abundant caution, so that there will not be any hitch

2 - W. W. Cory, Esq.

in the application being through and the scrip being returned at the earliest possible date, with the authorization of the Department to the same being located by Mr. Patterson.

I hope I am not troubling you too much but I should be very much obliged indeed if you would personally see that this is attended to and the letter returning the warrant addressed to this firm at the earliest possible moment and if possible, within twenty-four hours after the arrival of this letter. The reason for this is that as you will see, the scrip must be located by Mr. Patterson before the 31st inst. and as this letter will not arrive in Ottawa before probably the 17th or 18th, even under the most favourable circumstances, the scrip could not be back here before the 23rd or 24th, and this would leave Mr. Patterson only a few days in which to locate. Thanking you in anticipation for your personal attention to the matter, I am

Yours faithfully,

3. Shortly after the said instrument was so signed before me and on the same day, Mr. Bremner returned to my office and said that Mr. Carey had decided not to purchase the scrip and at Mr. Bremner's request I thereupon struck out the name "Charles Carey" in his presence, and received instructions from him to find another purchaser for the scrip, and to fill the name of the other purchaser in instead of the name so struck out.

MEMORANDUM: OTTAWA -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Maynard Barnhouse,
Frl. N.E.¼ 16 and Frl.L.S.D.1
of Sec.21-57-5 W.5th Meridian(Time Sale)

The above-described land is the time sale of this settler.

Subsequent to the initial loan approved in his favour on the 22nd August, 1919, the settler secured advances from the Board totalling $5600.00, as follows: land, $3600.00; permanent improvements, $193.50; stock and equipment, $1806.50. As security the Board holds a charge on the time sale held by this settler. The only other land security held by the Board in this case is title to the S.W.¼ 22-57-5 W.5th M. and the N.W.¼ 15-57-5 W.5th M.

The Board is informed that the settler has complied with the requirements of the Department of the Interior and would be entitled to receive patent but for the Board's charge, provided evidence is furnished of ownership of the Fractional S.E.¼ 16-57-5 W. 5th M. Partial Historical Abstract showing that the latter land stood in the name of Maynard Barnhouse, of Cherhill, Alberta, up till the 12th November, 1929, when it was transferred to Richard Busch, is attached hereto.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order that he may be in a position to negotiate a sale of the land in question with the purchaser of the Fractional S.E.¼ 16-57-5 W.5th M.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the Frl. N.E.¼ 16 and Frl.L.S.D.1 of Sec. 21-57-5 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 28 of the Soldier Settlement Act, as $131.19 of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of acquirement of this land.

A Vesting Order for signature is attached hereto.
